

Parker Bulls Soccer Club Parent Code of Conduct

Please note that parent signatures are required at the bottom

Thank you for being a part of the Parker Bulls Soccer Club. Below is our Parent Code of Conduct, which we expect you to abide by, as it will be enforced by our coaching staff and club officials. Please make sure to read through and understand that this is a condition for participation in PBSC.

1. As a parent, I agree to support the Parker Bulls Soccer Club in requiring the players to abide by the PBSC Player Code of Conduct.
2. I agree to present myself as a positive role model while representing PBSC at any soccer game, tournament or training session.
3. I agree to only praise players at any team game, tournament or training session. I will respect the fact that this game is for the players, not the parents, and will only provide positive communication from the sideline.
4. I will refrain from any form of negative communication or confrontation with the opposing team's parents, players and HYSA officials.
5. I will refrain from coaching my own or any other child during the course of a game.
6. I will refrain from communicating with the referees before, during and after any game. As a parent, I will not question calls of the referee under any circumstance.
7. I will discuss any constructive concerns I have about players or the program in the following order: Coach first, Director of Coaching second and finally with the club's Grievance Committee.
8. I understand that the coaches, managers and directors are dedicated to providing a quality soccer experience through training and team events. As a parent, I am committed to make every effort to get my child to all trainings and team events.
9. Line of communication with the coaching staff: As a parent, I will always respect the coaching staff during all games and trainings. I will never question, discuss or confront the coach during or right after any game. I understand that a '24 hour' cooling off period is in effect and that I will only approach the coach staff after 24 hours. I further understand that my child will first approach the coach to discuss any on-field issues. Should this not resolve the issue, I will set up a parent/player/coach meeting.

I agree that if I fail to abide by any of the rules listed above that I may be subject to, but not limited by the following disciplinary action:

1. Verbal or written warning
2. Suspension from attending games, tournaments and trainings
3. Expulsion from the team/club
