Parker School is pleased to announce the selection of Follett Virtual Campus for our school’s online bookstore. For more than 145 years, family-owned Follett has served the education market and will help ensure our students are ready for the first day of school with course materials in hand.

Our teachers have selected the course materials required for the upcoming school year, and the Follett team has worked to make the books available via our online bookstore.

By working with its vast publisher network, Follett is able to offer the exact titles and quantities requested by our teachers. Our school has elected to offer these affordable options:

- **Used** – save up to 25% compared to the cost of a new book
- **Digital** – enjoy savings and interactive content
- **New** – you’ll enjoy being the first owner of this book

Most print book orders are shipped the same or next day via FedEx.

For many classes, you have the option to purchase a print book or a digital book. You only need to purchase one version.

*If two digital options are listed, please choose the option that works with your device. (For example, iPad users only would purchase the iBook (APBOK) version).

What is the Follett Virtual Backpack?
